Welcome from the President

2012 Sydney Royal Horse Show

- *Introduction of new Classes in Shire, Show Hunter and amateur Showjumping*
- *Return of Exhibition Eventing*

Thank you for your interest in entering a Sydney Royal competition to be held during the 2012 Sydney Royal Easter Show.

Agricultural competitions are at the heart of the Royal Agricultural Society of NSW and the Sydney Royal Easter Show. The competitions held at the Show attract around 30,000 entries from people across the country each year. With more than 5,000 competition categories, they set benchmarks in excellence and encourage development and innovation in Australian agriculture.

Held almost continuously since 1823, our competitions are steeped in history and prestige. To win a Sydney Royal Ribbon is a significant achievement and an accolade of excellence. Being awarded a Ribbon at the Show represents the proud culmination of months or even years of hard work and dedication.

Sydney Royal competitions are renowned for their fair yet rigorous judging process that ensures only the 'best of the best' are awarded. The standards set at the Show are recognised across Australia and around the world, highlighting the integrity of our competitions.

The Royal Agricultural Society of NSW works closely with industry groups to constantly evolve the Sydney Royal competitions. Recognising and adapting to industry and consumer trends ensures our competitions remain relevant and continue to encourage new standards in all areas.

By encouraging and rewarding agricultural excellence through the Sydney Royal competitions, the Royal Agricultural Society of NSW aims to ensure a viable and prosperous future for our agricultural communities.

I encourage you to enter a 2012 Sydney Royal competition and wish you the best of luck. I look forward to seeing the wonderful skills and talents from across Australia on display at the Show.

Glenn Dudley
President, Royal Agricultural Society of NSW

PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1901. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.

SERVICE CENTRE

The RAS Service Centre is made up of three departments - Data Management Systems, Membership and the Australasian Animal Registry (AAR). The Centre's purpose is to provide an efficient and friendly service to our valuable customers. The Centre provides processing support and customer service in relation to Agricultural Competition Applications for Entry.

For enquiries regarding general competition information such as judging details, timetables, Exhibitor confirmation packs, please visit www.sydneyroyal.com.au or contact the coordinator responsible for your section.

GUIDELINES FOR PERFORMANCE

Closing date of entries:

Thursday 3 November 2011

The performance period will be:

Monday 29 November 2010 - Monday 14 November 2011

Your entry/nomination MUST still be submitted by the Official Closing Date. Any entries received after this date will not be accepted.

You must indicate on your Application for entry that you are intending to exhibit at additional shows after the Closing Date with the purpose of gaining additional qualifications.

Any additional performances must be received by the RAS no later than 5pm Monday 14 November 2011.

You must submit the official additional performance form to the Horse Section Office. Please download this form from the Sydney Royal Show website. Additional performances received by the RAS after this date will NOT be recognised.

Horses entered must be registered with a Breed Society recognised by the Royal Agricultural Society of NSW (named at the beginning of each section of the Schedule) or with Equestrian Australia, or the Show Horse Council of Australasia to be considered. Only horses entered in Business Delivery & Turnout Classes are not required to be registered.

First place, Champion, Reserve Champion, or Supreme Champion Winners from the 2011 Sydney Royal Easter Show are not afforded automatic entry into any Classes for future Shows.

Saddle Horses - Pony, Galloway and Hack Ridden Classes

Qualifications for entry of Saddle Horses to the Sydney Royal Easter Show change from year to year. There is no specific performance requirement set until after the Closing Date for Entries when all entries are considered, but it is recommended a minimum of 7 open wins at 7 Agricultural Shows are required during the official performance period.

A "win" is considered as First place, Champion or Reserve Champion in Open Classes at Agricultural Shows and first, second, third and fourth placing in Open Classes at State Royal Shows, being Sydney, Melbourne, Brisbane, Canberra, Perth, Darwin, Adelaide and Hobart. Bathurst, Geelong, Toowoomba, Launceston and Norfolk Island are considered Agricultural Shows, not State Royal Shows.

An Open Class is one that does not restrict entrants. Examples of restricted Classes include Novice, Intermediate, showing Thoroughbred characteristics, Maiden, Local, etc.

Only one performance from each Show will count (if you win your Open Class and then go on to win the Champion, either win will count as one win). Should you place first in a restricted (e.g. Novice, Intermediate, etc) Class and go on to win the Champion or Reserve, the Champion or Reserve will be counted. Similarly, if you place second (in open or restricted Class) and go on to gain Reserve Champion, the Reserve Champion will be counted as a win.

If you win a Novice Class at a Royal prior to the 2012 Sydney Royal Easter Show, it is the Exhibitor's responsibility to officially withdraw from the Novice Class entered into, or transfer into an Open Class, if they are not already entered.

One win from any non-agricultural Show (Breed or Hack Show) win may be included as part of your performance ("Top 10 Horse of the Year" will **not** be counted as a win, but Exhibitors are asked to include this in their performance listing).

One Lady's, Gentleman's or Child's Hack event win, may be included as part of your performance.

A win in an Open Hack, Galloway or Pony Class from the 2011 Sydney Royal Horse Show will be the equivalent of two Agricultural Show wins.

Champion Hacks, Galloways and Ponies from the 2011 Sydney Royal Horse Show will be accepted into Open Classes with only two performances from Agricultural Shows held after Wednesday 27 April 2011.

In cases where a horse has only six wins, second placings at Agricultural Shows will be considered at a ratio of four seconds are equal to one first. In addition, overall performance at all events will be taken into consideration.

Performances will be counted from Agricultural Shows, which hold more than one Annual Show, e.g. St Ives & Castle Hill, if they are listed in the Agricultural Societies Council of NSW's Show Dates Book. Additional annual Shows held interstate, will be considered on an individual basis.

Show Hunters - Pony, Galloway and Hack Ridden Classes

Qualifications for entry of Show Hunter Horses to the Sydney Royal Easter Show change from year to year. There is no specific performance requirement set until after the Closing Date for Entries when all entries are considered, but it is recommended a minimum of 7 open wins at 7 Agricultural Shows are required during the official performance period.

Similarly, if you place second (in open or restricted Class) and go on to gain Reserve Champion, the Reserve Champion will be counted as a win.

If you win a Novice Class at a Royal prior to the 2012 Sydney Royal Easter Show, it is the Exhibitor's responsibility to officially withdraw from the Novice Class entered into, or transfer into an Open Class, if they are not already entered.

One win from any non-agricultural Show (Breed or Hack Show) win may be included as part of your performance ("Top 10 Horse of the Year" will **not** be counted as a win, but Exhibitors are asked to include this in their performance listing).

One Lady's, Gentleman's or Child's Show Hunter event win may be included as part of your performance.

One Working Show Hunter event win may be included as part of your performance.

A win in an Open Show Hunter Hack, Galloway or Pony Class from the 2011 Sydney Royal Horse Show will be the equivalent of two Agricultural Show wins.

Champion Show Hunter Hacks, Galloways and Ponies from the 2011 Sydney Royal Horse Show will be accepted into Open Classes with only two performances from Agricultural Shows held after Wednesday 27 April 2011.

In cases where a horse has only six wins, second placings at Agricultural Shows will be considered at a ratio of four seconds are equal to one first. In addition, overall performance at all events will be taken into consideration.

Working Show Hunters

Only horses entered in Show Hunter, Showjumping and/or Breed Classes are eligible to enter Working Show Hunter Classes.

All horses entered in Working Show Hunter Classes must submit at least one (1) jumping performance obtained during the qualification period. This performance may be gained in a Working Show Hunter Class, a Showjumping competition at Pony Club, Adult Riding Club or Showjump Club, or an Eventing performance.

The performance must demonstrate the horse and rider combination have experience completing a showjump course, however it does not need to be a win.

Breed Classes

Qualifications for entry into Breed Classes at the Sydney Royal Easter Show alter from section to section (depending on the breeds popularity - the more popular, the higher the performance). The majority of breeds need a minimum of three wins in the Class that is relevant to what you will be entering (e.g. 3 open led wins if you are entering led Classes and/or 3 open ridden wins if you are entering under saddle). Breeds which require a suggested minimum of two wins in the Class that is relevant to what is being entered are: Clydesdales, Hackneys, Hackney Ponies, Percherons and Shires.

First places, Champions and Reserve Champion placings in relevant Classes at Agricultural Shows or Breed Shows must be gained during the official performance period.

Yearlings require a minimum of two performances for the 2012 Sydney Royal Easter Show.

Broodmares do not require any performances and may transfer to dry mare Classes only if they have the relevant performance.

Riding Classes

For the 2012 Sydney Royal Easter Show, Riding Classes require a minimum of three Open Riding Class wins at Agricultural Shows or recognised Breed shows.

It is the Rider's responsibility to confirm that the mount nominated to be used in your Riding Class(es) must have been accepted for (excluding Pony Club) and competing in at least one Class for stud, hack or showjumping before it can be used as your riding Class mount. If the horse nominated, was not accepted in at least one Class, then you must contact the Horse Section to nominate a different horse, that you have confirmed with the Owner has been accepted and competing in at least one Class at the 2012 Sydney Royal Easter Show, otherwise you must officially withdraw.

Light Harness Classes

Horses or Ponies entering in the Light Harness Classes, require three harness placings at recognised Agricultural Shows or Harness Shows. These must be gained during the official performance period.

- if an Exhibitor enters an Exhibit as part of a business enterprise, the Exhibitor has an ABN, but the Exhibitor is NOT REGISTERED for GST.
- if an Exhibitor enters an Exhibit as part of a business enterprise, the Exhibitor is not entitled to an ABN as the business or enterprise is not operating in Australia.

TO BE CONDUCTED ON THE MAIN ARENA.

CLASS 797 - Exhibition Eventing, CNC 2* and above.

Total Prize Money \$2000

(S797A) - Prize (Rug) supported by The Land Newspaper.

(S797B) - Product Prize supported by International Animal Health Products. Value \$132

(S798) - Prize (Rug) for the Highest placed rider under 25 years old in Exhibition Eventing, supported by Equestrian Australia.

Each rider will perform a freestyle Dressage test (3mins in length) in a 60m x 20m arena. There will be compulsory movements of a CNC3 star standard. Riders may get bonus points for executing more difficult movements successfully.

Tests will be scored out of 80. The score for the technical marks will be out of 70 and the artistic and general impression marks scored out of 10.

The total score for each rider (marks out of 80) will then be converted to seconds. For example the riders score is subtracted from the maximum score possible (80 marks) to give a 'penalty score' which is converted to seconds. Therefore if the leading rider has a score of 77.5 marks they will carry forward 2.5 seconds to the second phase of the competition.

In the case of a rider earning bonus points and their total score being more than 80 then they will start the Jumping phase with negative time. Eg a score of 82 would mean they start the Jumping with -2 seconds on the clock. A big advantage!!

After the Dressage the riders will go directly to the cross-country warm up where they will be allowed to jump a practise fence two times. They must then proceed to the start box.

THE JUMPING COURSE

The Cross-country and show Jumping will be combined into one course. The cross-country fences will be solid fences of Equestrian Australia CNC 2-star dimensions i.e ranging between 1.15m (fixed)

and 1.35m (brush). The show jumps will be of CNC 3* dimensions (1.25m).

There will be an optional joker fence of approximately 1.45m. If successfully jumped the joker fence will wipe 5 seconds off your total score. If the joker fence is knocked down you will incur a 10 second penalty. Refusal at the joker fence incurs the same penalties as the other jumps.

An optimum time of approximately 475 metres per minute will be set and riders will need to complete the course within 5 seconds above or below the optimum time to avoid any additional penalties. Every second outside of this window will be added to your score.

JUMPING PENALTIES

Rail down	5 second penalty
First Refusal	10 second penalty
Second refusal	15 second penalty
Joker Fence	
Jumped clear	-5 second bonus
Knocked down	10 second penalty
Fall of horse or rider	Elimination
Time penalties	More than 5 seconds either side of the optimum time will incur 1 second penalty per second.

The rider with the fastest time at the end of the competition is the winner. In the case of an equal score the rider with the best dressage score wins. If the dressage score was equal then the rider closest to the optimum time on the jumping wins.

DRESSAGE TEST

The Dressage test is to be a maximum of 3 minutes in length. It will be performed in a 60m x 20m area. Riders and horse will be in cross-country equipment.

Compulsory movements - these movements must be executed in your test. For any of these movements not executed will the rider will incur a score of 0 for that movement.

Compulsory movement	Score out of 10
1. Extended trot on either rein	
2. Half pass in trot covering a minimum of 10m (eg from centreline to longside or reverse) on either rein	
3. Extended Canter with a transition to collected canter on either rein	
4. Counter canter on either rein	
5. A flying change from right to left	
6. A flying change from left to right	
7. A Final halt out of trot	
Artistic and general impression	
Total score out of 80	

Bonus marks can be gained as follows

- Sequence changes - "clean" flying changes in a sequence will earn 1 bonus point per change (must be in succession) eg 6 x 2 time changes = possible 6 bonus points
Note ** Missed changes in the sequence will incur -1. (maximum 1 sequence of changes per test)
- Canter pirouettes - Maximum of 2 bonus points (maximum 1 pirouette per test) Judge may score -1 and 2 depending on how well the pirouette was executed.

If the total score including bonus marks is more than 80 then the rider begins the Jumping phase with a negative time. Eg score is 84 the rider starts the jumping with -4 seconds on the clock.
